CALL FOR APPLICATIONS

Project Officer (Kenya)

The deadline for submissions (CV and Cover letter) is 20th June, 2023 at midnight (12:00am) GMT to the following address: adea-applications@afdb.org. The subject of the e-mail should be “Project Officer (Kenya)”. 

Introduction

The Association for the Development of Education in Africa (ADEA) is a forum for policy dialogue on education and it is hosted by the African Development Bank Group in Abidjan, Côte d’Ivoire. Its vision is to create “high-quality African education and training geared towards the promotion of critical skills for accelerated and sustainable development in Africa”. ADEA’s mission, therefore, is to “serve as an open and flexible pan-African organization that informs and facilitates the transformation of education and training to drive Africa’s accelerated and sustainable development.” It acts as a catalyst in promoting innovative policies and practices through the pooling of ideas, experiences, learning, and knowledge. ADEA’s overall goal is to empower African countries to develop education and training systems that respond to their emergent needs and drive Africa’s social and economic transformation sustainably.

ADEA’s main organs are its Steering Committee (SC), Executive Committee (EC), the Secretariat, and nine (9) Inter-Country Quality Nodes (ICQNs).

The general objective of the ADEA ICQNs is to act as catalysts for innovative policies and practices in education and training. The Government of Kenya through the Ministry of Education has expressed interest and commitment to champion and lead the ICQN on Mathematics and Science Education (ICQN-MSE).

The ICQN on Mathematics and Science Education (ICQN-MSE) is an intergovernmental forum for policy dialogue and collaborative action among African Ministers of Education and strategic partners for advancing quality Science, Technology, Engineering and Mathematics (STEM) education in respective countries and the African continent. The collaborative approach and networking will support the exchange of knowledge on concepts, research findings, and capacity building to respond to the varying contexts in which STEM education programs are implemented.

To achieve its objective under the new Strategic Plan, ADEA will provide additional human capacity support to the ICQN-MSE through embedding a dedicated Project Officer (PO). ADEA through its ICQN-MSE and in collaboration with the Ministry of Education, Kenya is in the process of recruiting one Project Officer to be based in Nairobi, Kenya.

The overall duty of the Project Officer is to provide day-to-day support to the ICQN-MSE coordinator working with the focal points and resource persons to implementation annual activities in member countries. The Project Officer will be based in Nairobi, Kenya working closely with and reporting to the Coordinator, ICQN-MSE who is based at the Centre for Mathematics, Science and Technology Education in Africa (CEMASTEA). The project officer will support the ICQN-MSE Coordinator daily, particularly in improving communication and coordination in member countries.
The position is therefore open to nationals who reside in Kenya.
