

BOOK BOOST: ACCESS FOR ALL Challenge

All Children Reading: A Grand Challenge for Development (ACR GCD) and Pearson's Project Literacy are launching the Book Boost: Access for All Challenge to drive innovation in accessible publishing.

The challenge seeks business models that are rooted in optimizing and increasing the number of accessible books in the title development phase of the book value chain, resulting in a more efficient and cost effective process.

CLOSING DATE:
19 January 2018
